

TIPS TO BE A QUALITY CADDIE

- Introduce yourself to your pro.
- Count the pros clubs **MAXIMUM ALLOWED IS 14.**
- Organize the clubs so that you can quickly find the needed club.
- Wet the bottom half of your towel so that you can properly clean the clubs after each shot.
- Keep your distance from the pro while they are shooting, don't stand behind any player shooting.
- Only the pro writes on the scorecard.
- Keep caddie smocks on at all times!
- After each shot, take club, clean it, replace divot, and catch back up to your pro.
- Stay with your pro at all times, don't lag behind.
- The caddie whose player first lands their ball on the green pulls the pin.
- Don't walk in the line of any players putt.
- If you don't know the answer to a yardage or any other question, say, "I don't know" rather than trying to guess!
- Keep the bag balanced on your back, keep club heads quiet as you walk.
- Caddies are sent out on a first come first serve basis.
